MEET THE STAFF

Johanna A. Graterol - Property Manager
James Bonilla - Maintenance

OFFICE HOURS

Monday - Friday -- 8:00 am - 5:00 pm
Saturday & Sunday -- Closed

Shhh!

It is the time of year when many residents will be opening their windows to allow fresh air into their homes. If you open your windows, please be mindful of your neighbors. Keep all noise coming from your home to a minimum as not to disturb others.

Smoke Detectors

We'd like to ask you to set aside some time each month (e.g., the day you pay your rent) to check your smoke detector. Should you experience difficulty with the detector, please contact the office.

Refer a Friend

Refer a friend to Haywood Meadows Apartments. If your friend is approved by the office and moves into our community, we will give you a **\$200.00** check!

Have a Great Month!

A Day for Dads

On the third Sunday in June, we celebrate the fathers in our lives. Happy Father's Day to all the dads out there!

Maintenance Requests

What do you do when you've got a maintenance issue in your home? Let us know, of course. We just ask that you contact the office to do so; please do not stop maintenance personnel on the property and ask them to take care of the problem. Thank you.

Rent Reminder

Rent is due on the 1st day of each month and is considered late on the 6th. All late rent must include a late charge equal to 10% of your monthly rental payment. Thank you for paying your rent on time.

Happy Birthday This Month to ...

Marcia Clayton
Maria Lara

Critter Ridder

The exterminator will be here at Haywood Meadows on **June 10th**. If you are in need of this service, please contact the office.

Gemini: May 21–June 20

The sign of Gemini is twins, and Geminis show this duality in their behavior. People born under this sign will have two sides to their personality: sometimes sociable, affectionate and ready for fun, and other times serious, restless and indecisive.

This zodiac sign is ruled by Mercury, which represents communication. Geminis make great public figures because they are often talkative, energetic and great communicators.

Geminis tend to like music, travel and conversation. They don't like being alone or forced into a routine. With their inquisitive, quick-witted and fun-loving nature, you will never be bored in the company of a Gemini.
